Company Profile

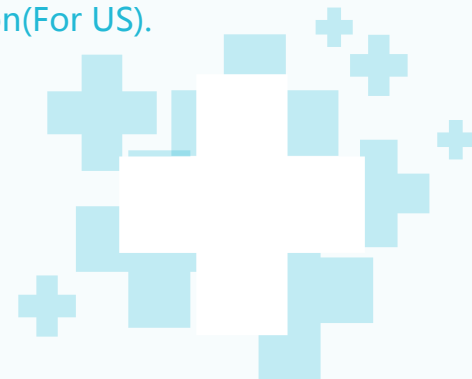

About LNK

Quanzhou LingKun Trading Co., Ltd.(“LNK ”) , which is specified for the production and distribution of epidemic prevention and labor insurance product lines, with qualifications for Category II medical equipments business licenses in China .The production workshop is located in KIPONE industrial zone of LuoJiang, Quanzhou, China. Total investment of the protective equipment project is over 30 million RMB , including civilian protective masks, medical masks, surgical masks, KN95 masks, N95 masks, children's masks, protective overall, disposable protective masks, disinfection protective supplies and other relative products. The first mask production workshop had been put into production from March 2020, and a 100,000 level dust-free workshop will be used for the production of professional medical masks. The daily production capacity of masks is gradually increased from 600,000 to 1.2 million pieces.

LNK was one of the key national epidemic prevention and control enterprises, the company upholds refined management processes, strict quality control, and its products have been recognized well by the society. It has been selected by the government as a supplier to release protective masks for citizens during the COVID19 epidemic time on Feb. 2020.

LNK products have obtained CE certification(For EU) and FDA certification(For US). And LNK is ready to produce quality products for the global partners.
