

Product introduction of safety protective equipment

# DISPOSABLE PROTECTIVE MASK KN95

Five Layers Protection| High Efficiency Filtration| Safe Ventilation| Professional Standards

# Company Profile

## Quanzhou Dasheng Medical Technology Co.,Ltd.

is a company of PEAK Group , Responsible for the production and distribution of epidemic prevention and labor insurance product lines, with qualifications for two types of equipment business licenses 。 The production workshop is located in King of LuoJiang , Total investment of the protective equipment project is over 30 million RMB , including civilian masks, medical masks, N95, children's masks, protective clothing, protective masks, disinfection protective supplies, etc. The first mask production workshop was put into production in March 2020, and a 100,000 level dust-free workshop was used for the production of professional medical masks. The daily production capacity of masks is gradually increased from 600,000 to 1.2 million pieces.

As the first batch of key national epidemic prevention and control enterprises, the company upholds refined management processes, strictly controls quality, and its products have been recognized by the society. It has been selected by the government as a supplier to put on masks for citizens. The products have now obtained EU CE certification and US FDA certification , Began to sell abroad.

TEST REPORT	
EN 149:2001+A1:2009	
Respiratory protective devices — Filtering half masks to protect against particles	
—Requirements, testing, marking	
Report Reference No.....	MNK20200324509R
Tested by (name + signature).....	<i>Landy</i> 
Approved by (name + signature).....	<i>Daisy</i>
Date of test.....	Feb 28, 2020 — Mar 20, 2020
Date of issue.....	Mar 20, 2020
Testing Laboratory.....	Shenzhen monika Technology Co., Ltd
Address .....	Building A, B, Baochi Science & Technology Park, Baochi Road, Shiyun Street Bao'an District, Shenzhen, Guangdong, China
Applicant's name.....	Quanzhou Dasheng Medical Technology Co., Ltd.
Address .....	2F, Office Building, Kipene Industrial Park, Lujiang District, Quanzhou City, Fujian
Testing standard.....	EN 149:2001+A1:2009
Test item description.....	FACE MASK
Trade Mark .....	N/A
Manufacturer.....	Quanzhou Dasheng Medical Technology Co., Ltd.
Address.....	2F, Office Building, Kipene Industrial Park, Lujiang District, Quanzhou City, Fujian
Model/Type reference .....	DSK-1, DSN-1, DSK-2, DSK-3, DSN-4, DSN-9
Conclusions .....	PASS
*This report shows that the product technically complies with the Council PPE Directive 2016/425/EU requirements.	
Possible test case verdicts:	
- test case does not apply to the test object .....	N (A)
- test object does meet the requirement .....	P (Pass)
- test object does not meet the requirement.....	F (Fail)
General remarks: The test results presented in this report relate only to the object tested. This report shall not be reproduced, except in full, without the written approval of the Issuing testing laboratory.
